Nursery

The Pre-Prep uniform is worn by Nursery children aged over 3 years old. 2-year-olds wear **navy joggers***, a **navy sweatshirt***, a **navy polo shirt*** and **black shoes**.

Shoes & fastenings

Please make sure that children wear shoes with Velcro or buckles, not laces, and no open-toed sandals or backless footwear. If your child is unable to put their own shoes on with minimal help, they are the wrong shoes! With all clothes, we want to encourage as much independence as possible. Small children do not always allow quite enough time to undo fastenings when rushing to the toilet. Mittens, in the winter, are much easier for children to put on rather than gloves.
