+ The House T-Shirt is a plain, coloured t-shirt which you purchase yourself. You will receive confirmation of your child's house/ colour before they join.

Shoes & fastenings

Please make sure that children wear shoes with Velcro or buckles, not laces, and no open-toed sandals or backless footwear. If your child is unable to put their own shoes on with minimal help, they are the wrong shoes! With all clothes, we want to encourage as much independence as possible. Small children do not always allow quite enough time to undo fastenings when rushing to the toilet. Mittens, in the winter, are much easier for children to put on rather than gloves.

ALL ITEMS MUST BE CLEARLY NAMED
